Maybe even better than free.

There are no restrictions on the number of times a file can be downloaded. You don't need any special software installed to be able to download your files. Using file, you can circumvent those limits without paying to upgrade your team chat service. filehosting provides an easy possibility for you to send large filesto your friends. You can upload any type of file (movies, music, documents, images, zip files and more). No account or credit card is required to get started. It isalso allowed to link to the download page from websites and communities. If only we could, we surely would! On the other hand, using file can actually saveyou money. Files can be downloaded from any computer from our high speed servers. We have no file size limit. You decide who you want to share your fileswith. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phoneand our servers, then from our servers to your friends device. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, manyteam chat apps have limits to the size of files that can be transferred within their apps. Simply upload your file and share the link. So try our free and simplefilehosting service now. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Our service is completely free foreveryone. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. File is free to use with no gotchas and no hidden fees. Alternatively you can choose to share your download links on blogs, forums and social networking sites. Keep your files private, or send your download linkonly to friends or family. Any file in any format can be uploaded and downloaded for free. Unfortunately, we can't make that part free. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Just upload the file you want to share with your friendsand we send you a download link to your file. The cost of that data transfer is covered by your internet service or the data plan on your phone. You can give thisdownload link to your friends by mail or instant messenger.
