Maybe even better than free.

Just upload the file you want to share with your friends and we send you a download link to your file. There are no restrictions on the number of times a file can be downloaded. You don't need any special software installed to be able to download your files. So try our free and simple filehosting service now. The cost of that data transfer is covered by your internet service or the data plan on your phone. You can give this download link to your friends by mail or instant messenger. Simply upload your file and share the link. It is also allowed to link to the download page from websites and communities. Our service iscompletely free for everyone. You can upload any type of file (movies, music, documents, images, zip files and more). Keep your files private, or send yourdownload links only to friends or family. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. If only we could, we surelywould! On the other hand, using file can actually save you money. When you use file, you avoid storing the file you're sending in your cloud storage or mailserver. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Files can bedownloaded from any computer from our high speed servers. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file,data is being transferred between your computer or phone and our servers, then from our servers to your friends device. File is free to use with no gotchas andno hidden fees. No account or credit card is required to get started. Unfortunately, we can't make that part free. Why pay storage fees for a file that you justwanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. filehosting providesan easy possibility for you to send large files to your friends. We have no file size limit. Using file, you can circumvent those limits without paying to upgradeyour team chat service. You decide who you want to share your files with. Alternatively you can choose to share your download links on blogs, forums andsocial networking sites. Any file in any format can be uploaded and downloaded for free.
